This letter will certify that your organization is a member in good standing with Flightline Drug Testing as required by your drug and alcohol program approval. Further, this letter ensures that the minimum requirements have been established for random testing of safety sensitive employees in accordance with 120.217(6)(ii)(A)(B) and (C).

The Drug Abatement Division of the Federal Aviation Administration has approved Flightline Drug Testing for both the drug abatement and the Alcohol Misuse Prevention Program under the approval code E-SO-0008-U in 1989.

Your aviation related entity:

Peninsula Avionics, Inc.
Plan Registration #E-SW-00099-U/D-SO-036
Part 145 QPIR337K - 06/21/85

has been issued program approval code **E-SW-00099-U/D-SO-036** which was issued through the FAA in Washington, DC on **05/27/1992**.

As of August 2002, the FAA in Washington, DC no longer certifies changes to approved programs. Changes are handled through the local FSDO via updated OPS SPECS.

This approval was issued with no termination date and no stated requirement for re-certification. Also, there has been no event which would have compromised or terminated your continued compliance with FAR Part 120 Subparts "E" and "F" during your membership with Flightline Drug Testing.

Confirmation of this information may be obtained from the FAA, The Drug Abatement Division, 800 Independence Avenue SW., AAM-800 Washington, DC 20591: 202-267-8443.

Sincerely,

Thomas E. Powers
President
